Client refund request

Project: Café Aurora website

Channel: email conversation from the fictional case

Context

The store addendum, version 2, covered an online store with five products, and Lucy paid it through PayPal. After the payment, two of those products were discontinued, so their pages will never be built.

Lucy Rivers, client

Hi Alex. Two of the five products in the store addendum have been discontinued, so we no longer need their pages. Since the other three products stay exactly as agreed, could you refund USD 40 of what we paid for the addendum? Everything else in the store is fine for us.

Alex Vega, freelancer

Hi Lucy. That is fair: the two product pages had not been built yet. I will refund USD 40 to your original PayPal payment, and the rest of the addendum stays as agreed.
